1. **TABE Survey** results are valid for **two (2) years**. You may retest during that time under the following circumstances:
   - If you have completed a review prescription (see #3). You will be given a practice review test in the Academic Support Center (ASC) to determine if you are ready to post-test. If you are, you will be given the **TABE Complete Battery**.
   - If you have taken courses or reviewed skills elsewhere, **you are required to provide official documentation to the Assessment Services Manager**.

2. **TABE Survey** scores can be obtained in person with photo identification at any ASC. **Allow three (3) working days for scores to be processed.** There is no charge for a student copy of a score report. TABE scores are automatically entered in the College computer system (Mariner) and are available for College departments to view.

3. If your scores do not meet those required for your particular program or job, you may request to have a prescription prepared for skills review and post-test follow-up. After you place your request, allow one business day for your prescription to be prepared.

4. Once you successfully complete all prescribed materials, including assigned tests, you will be approved for post-testing by an ASC instructor. **THERE ARE NO SHORTCUTS TO SUCCESS.**

5. If you have a program **deadline**, scores must be submitted by a specific date. **ALLOW ENOUGH TIME TO COMPLETE YOUR PRESCRIPTION.** The amount of time required to complete your prescription will vary according to its length and your learning style.

6. **TABE** scores can be faxed or mailed **directly** from other schools or adult education programs to: Steven Daniello, Assessment Services Manager
   Indian River State College
   3209 Virginia Avenue
   Fort Pierce, FL 34981
   Fax: (772) 462-7838

   TABE scores from other schools or adult education programs must meet Indian River State College requirements (see # 1). Only scores from the **A Level** of the **TABE** are used for entrance into Indian River State College programs.

7. If you need your TABE scores sent to other organizations, you must first obtain and complete a **TABE SCORE REQUEST FORM** which is available at any ASC. Take your completed form, along with $10, to an IRSC cashier. Bring the completed **TABE SCORE REQUEST FORM** and paid receipt back to the ASC for processing.

8. If you need additional information, contact the ASC at one of the following campuses:
   - Main Campus (Fort Pierce) (772) 462-7625, Fax (772) 462-7838
   - Chastain Campus (Stuart) (772) 419-5615
   - Dixon Hendry Campus (Okeechobee) (863) 824-6010
   - Mueller Campus (Vero Beach) (772) 226-2508
