Academic Dishonesty is a broad category including, but not limited to the following:

1. **PLAGIARISM:** copying another person's words, written or verbal, and representing them as one's own.
2. **CHEATING:** intentionally using or attempting to use unauthorized materials, electronic devices (including cell phones), information, people, websites, software or study aids, or extending to or receiving any kind of unauthorized assistance to or from another person on any examination.

Any Academic Dishonesty activity may result in disciplinary actions as outlined in the Student Standards of Conduct printed in the Indian River State Student Handbook/Planner. Disciplinary actions may include, but are not limited to the following:

2. Failing an exam and/or course.
3. Suspension or expulsion from a specific program or from Indian River State College.

Proactive Strategies to Protect Yourself from Charges of Academic Dishonesty

1. Prepare thoroughly for examinations and assignments.
2. Take the initiative to prevent other students from copying your exam or assignments, e.g., shield your answer sheet during examinations, and do not lend completed assignments to other students.
