IMPORTANT NEWS REGARDING EXCESS HOURS AND TRANSFER TO STATE UNIVERSITIES IN FLORIDA

Effective 2009, a new Florida law (F.S. 1009.286) requires that students who enroll in more credit hours than needed to complete a Bachelor's Degree may be subject to pay higher fees for the excess hours. State university students who enroll in more than 120% of the total hours required for their degree program will be required to pay a 50% surcharge on the additional credit hours. For example, a student in a 120-credit Bachelor's Degree program will be required to pay this penalty for every credit exceeding 144 credit hours.

All classes in which you enroll will count toward this total with the following exceptions: college-level classes taken in high school such as Dual Enrollment or credit received via AP, IB or CLEP examinations, credits earned during an internship, credits earned to obtain or renew a certification, credits earned while on active military duty, some credits earned to complete a dual major in a Baccalaureate program, credits earned in preparatory or ESL classes, military classes such as ROTC, and classes from which you had to withdraw due to a medical or personal hardship.

Please schedule an appointment with your advisor to create an academic plan that ensures you enroll only in courses needed for your program so that you can avoid extra costs when transferring to one of Florida's public universities.
