

# Commemorative Brick Program

Your educational experience at "The River" has helped to prepare you for the future – a future filled with increased opportunity and a variety of choices that would not have been possible without a degree from Indian River State College (IRSC).

Now, to recognize your status as an alumnus of IRSC, your name and graduation date can be engraved on a permanent brick in Alumni Row! Through the years, thousands of students and future Alumni will be inspired by a walk through Alumni Row, which is prominently located in front of the Administration Building at the Main Campus, and includes bricks from decades of IRSC's Distinguished Alumni.

Family and friends may also purchase a brick for you as a gift to commemorate this special accomplishment in your life. A gift card will be mailed notifying you of their generous support. The cost of a personalized brick is only \$150, and proceeds from the IRSC Commemorative Brick Program will be utilized to support student scholarships. What a wonderful way to publicly recognize your success and help pave the way for future graduates!

To order a brick and support scholarships, complete the information below and mail to the IRSC Alumni Association, 3209 Virginia Avenue • Fort Pierce, FL 34981-5596. Alumni will be notified when their brick has been installed.
