INDIAN RIVER STATE COLLEGE is a public, comprehensive college, ranked as one of the best in the nation for its commitment to student success. The College is a national Top Ten Finalist for the prestigious Aspen Prize and ranked as the 9th top public regional college in the South by U.S. News and World Report. Over 30,000 people enroll in IRSC courses each year, attracted by its quality, convenience and affordable tuition. IRSC was designated as the 4th Most Affordable College in the country by the U.S. Department of Education two years in a row, and IRSC students benefit from many scholarship and financial aid opportunities.

Every aspect of IRSC is focused on helping students succeed with small classes, an array of student support services, convenient campuses, and online courses. IRSC has been selected as an Achieving the Dream™ college and recognized for its support of students from enrollment to employment.

IRSC offers over 150 programs, including Bachelor’s degrees, Associate in Arts degrees for continuing education at IRSC or a university, Associate in Science degrees for in-demand careers after two years of training, short-term certificate programs and Quick Job Training.

Here’s How to Apply
An A.A. Degree and $30 application fee are required for admission into this Bachelor’s Degree program. All candidates should consult with an IRSC advisor.

Visit www.irsc.edu to complete the IRSC Application for Admission. Click Apply to IRSC.
If not previously sent, submit official transcripts (high school, GED® and all postsecondary schools).
GED® is a registered trademark of the American Council on Education (ACE) and administered exclusively by GED Testing Service LLC under license. This material is not endorsed or approved by ACE or GED Testing Service.

Apply for Financial Aid
Complete and submit the Free Application for Federal Student Aid (FAFSA) online at www.fafsa.gov

What Will I Learn?
As a pre-service teacher, you will develop a well-rounded foundation for success. You will participate in college courses that develop teaching expertise, take courses specific to your subject area and gain experience in a final semester internship.

Your college courses will focus on classroom management, integrating technology into learning, human development, diversity and more.

Professors will model best practices in instruction and give you feedback to use these techniques in the classroom. You will be well-prepared for your internship, teaching full-time at a school under the mentorship of an experienced teacher.

Why Choose Science Education?
If you want to have a positive impact on the future, teaching may be the career for you. Science teaching is especially important as the foundation for a world-class education.

You will help children explore the fascinating world of science, inspiring interest in a field that will dramatically affect our lives in the 21st century.

IRSC offers a Bachelor’s Degree in both Middle Grades Science and Secondary Biology Education.

The need for science teachers in Florida is at a critical level, and jobs are readily available for successful graduates. You could be one of them!
