NATIONAL LEAGUE OF NURSING (NLN) Online Pre-Admission Exam

As a result of NLN having technical difficulties with their new NLN Pre-Admission Exam, we will be using the original NLN Online testing platform.

- Please follow the steps outlined below, so you may begin testing at your earliest convenience.
- No appointment will be required for this exam.
- If you have previously taken the NLN Pre-Admission Exam in the past year, and want to use that score for your current application, retesting is not required.

1. Go to [https://www.nlnonlinetesting.org](https://www.nlnonlinetesting.org)
2. In the upper left corner of the screen, click the “Create an Account” button to create a login and password for your account. Make sure to write down your login and password information, you will need it on test day. (If you have previously taken the NLN exam or have signed into the website before and don’t remember your password, retrieve it prior to coming to the Assessment Center. Click on the “Forgot Login?” button and the system will email you your login information.)
3. After creating an account, you will have access to a Demo Test. Take the Demo test to familiarize yourself with the exam format and navigation buttons.
4. Bring a valid photo ID, such as a driver’s license or student photo ID. (It cannot be expired, broken or cut.)
5. Bring your paid receipts for both the NLN Exam and the IRSC Health Science Application. Only students that have applied to the IRSC Nursing program are permitted to take the NLN Pre-Admission Test at Indian River State College.
6. Remember to bring your NLN User ID and Password.
7. Cell phones and all electronic devices must be turned completely off in the testing room and waiting area. It is strongly recommended that students not bring cell phones, electronic devices or personal items to the Assessment Center.

The NLN Pre-Admission Exam is only offered at the Main Campus Assessment Center (Room W-109), Monday through Thursday 8:00 am – 5:00 pm and Friday 8:00 am – 10:00 am. The test is 3 hours long and breaks are not permitted during testing, so plan accordingly.

**No testing on February 26, 2016. The college offices will be closed for Professional Enhancement Day.**
