What Leadership Opportunities are Available?

You’ll have the opportunity to join the IRSC Interior Design Club. The Interior Design Club is an active member of IRSC’s Campus Coalition Government and participates in many professional design organizations. Activities of the club are “co-curricular,” enhancing classroom and online learning. You’ll also have the opportunity to meet interior designers and to travel to design centers.

INDIAN RIVER STATE COLLEGE is a public, comprehensive state college serving Florida’s Research Coast with full-service campuses in Fort Pierce, Okeechobee, Port St. Lucie, Stuart and Vero Beach. IRSC has earned a statewide and national reputation for quality, innovation and responsiveness to community needs, inspiring over 34,000 people to enroll in classes each year. Tuition is affordable, and IRSC students benefit from many opportunities for scholarships and financial aid.

Committed to helping each student succeed, IRSC offers Bachelor’s Degree programs meeting critical workforce needs and Associate in Arts Degree programs for university transfer. Associate in Science Degree, Associate in Applied Science Degree and short-term certificate programs prepare students for careers in health care, technology, business, industry, public safety and many other fields.
What Will I Learn?
You’ll learn how texture, color, lighting, sustainable materials and other elements combine and interact to create safe, comfortable and pleasing environments.

You’ll study building codes and learn technical drawing and CAD skills to create environmentally responsible design plans for residential, commercial, kitchen and bath and “Aging In Place” projects.

You’ll get real-world experience by completing projects for the community and interacting with local professional design organizations.

With an A.S. Degree in Interior Design and the approved work experience, you’ll be prepared for the national interior design examination (NCIDQ).

Why Choose Interior Design?
If you are imaginative, creative, organized, a good communicator and able to deal with deadlines, interior design is for you!

You’ll enjoy the satisfaction of seeing your ideas become a reality as you work with clients to develop design solutions that are visually appealing and technically sophisticated.

Employment opportunities for interior designers are projected to grow by about 19 percent by 2018 as the desire for ergonomic design, elder design and environmental (green) design increases.

How Can I Get Started Now?
Increase your opportunities for employment by completing the certificate below and you’ll be on your way to earning the A.S. Degree in Interior Design Technology. All classes are a blend of online and traditional classroom/laboratory settings.
