Nursing Assistant Course

This course teaches skills for certification and employment as nursing assistants in long-term care facilities. Students learn to identify and meet basic patient care needs for safety, comfort, and activities of daily living.

HCPV410C ........................................................................................................165 hours

Classes are held at the IRSC Main Campus; the Blackburn Education Building in Fort Pierce; Mueller Campus in Vero Beach; Chastain Campus in Stuart; and the Dixon Henry campus in Okeechobee.
Clinical hours are in area nursing homes and hospitals.
Application Process

1. You must complete an application to the college before applying to the program. The college application can be completed online by visiting [www.irsc.edu](http://www.irsc.edu).

2. Meet with academic advisor

3. Complete a student advisement form.

4. Attend the Nursing Assistant information session.

5. Submit your application and all required documents including the $30 application fee to the Cashier’s Office at any IRSC Campus.

6. Complete a CPR (cardiopulmonary resuscitation) course. (Certification cannot expire while enrolled in the program and cannot be taken as an on-line course.)

***It is your responsibility to see that all admission requirements are met***
Program Requirements

• Must be 18 years old.

• Complete a CPR (cardiopulmonary resuscitation) course. (Certification cannot expire while enrolled in the program and cannot be taken as an on-line course.)
