DUAL ENROLLMENT AGREEMENT

Indian River State College
And
School Board of Martin County

Whereas Section (s) 1007.271 (21), Florida Statutes, requires state colleges and school districts to develop comprehensive Dual Enrollment Articulation agreements, the District Board of Trustees for Indian River State College, hereinafter referred to as the TRUSTEES, and The School Board of Martin County, Florida hereinafter referred to as the BOARD, have made the following determinations:

A) Terms of this Agreement shall commence July 1, 2018, or on the last date approved by either party, whichever is later and end June 30, 2019, unless terminated as hereinafter provided.

B) Annual meetings shall take place between representatives from both institutions to review this Agreement to assure both parties that it continues to serve their mutual interests and provide student opportunities.

C) Either party shall have the right to terminate this Agreement by delivery of written notice to the other party not less than ninety (90) days prior to the effective date of said termination.

D) The parties to this Agreement recognize that as provided under Section (s) 1007.271 (21), F.S., and SBE Rule 6A-14.064, accelerated mechanisms such as Dual Enrollment/Eary College and advanced (college-level) instructional programs for qualified students from the School District enhance learning opportunities and are required to be made available for those students.

E) The parties will adopt an Agreement as provided in Section 1007.271 (21), F.S., and SBE Rule 6A-14.064, including:
   1. College Credit Dual Enrollment
   2. Vocational Credit Dual Enrollment

F) As required by the Florida Legislature, the BOARD shall pay the standard tuition rate per credit hour from funds provided in the Florida Education Finance Program to Indian River State College (IRSC) for instruction taking place on any IRSC campus. For 2018 - 2019, the standard college credit tuition rate at a Florida College System institution (F.S. 1009.23) is $71.98 per credit hour or $2.33 per vocational clock hour. Online dual enrollment courses which originate at an IRSC campus and are taught by IRSC faculty are subject to this provision. Indian River State College will invoice the school district for dual enrollment courses taken by high school students on IRSC campuses. The College will invoice for the total number of credits taken by high school students during the
Fall and Spring Semesters. There will be no billing for dual enrollment courses conducted during the Summer Semesters.

G) The College’s invoice for dual enrollment will itemize the following information:
   • Student’s name;
   • Prefix and title of dual enrollment course;
   • High School Name;
   • Number of credits;
   • Total number of credits for all students, and;
   • Total amount due.

H) Courses taught on an IRSC approved secondary school campus, by one of the high school’s regular teachers who have been interviewed by, certified by, and approved by Indian River State College are not subject to tuition charges. Because the instructor would be a certified IRSC adjunct faculty member, he/she must adhere to the College’s rules, regulations, policies, and practices in the same manner as any other IRSC adjunct faculty member. This includes attending an annual meeting, using the departmentally selected learning resources, curriculum, learning outcomes assessments, Learning Management Systems (LMS) and all other requirements as specified by the College.

I) A school district may not deny a student access to dual enrollment unless the student is ineligible to participate in the program subject to provisions specifically outlined in this Agreement.

J) As of Fall 2015 semester, all dual enrollment students must complete IRSC’s Dual Enrollment Online New Student Orientation. Dual Enrollment New Student Orientation is required for all new IRSC students and includes information on college policies, procedures, resources, expectations, and other essential items that help support student success. Students who do not complete DE NSO will be unable to register for their dual enrollment classes until this requirement has been met.

K) As of Spring 2016 semester, all new (first-time) dual enrollment students must complete SLS 1101 – Student Success during their first semester of dual enrollment or will be ineligible to continue dual enrollment courses in future semesters. Students who have participated in IRSC’s dual enrollment program prior to the Spring 2016 semester are encouraged to enroll in the course but are not required to do so. An unweighted high school GPA of 3.0 and a 106 or higher Reading PERT score is needed to participate in this course.
NOW, THEREFORE, the parties agree as follows:

ARTICLE I. Ratification of Existing Agreements: All existing dual enrollment agreements between the TRUSTEES and the BOARD are hereby modified to conform to the terms of this agreement and the appendices of this document.

ARTICLE II. Program Description: In accordance with Section 1007.271 (21), F.S., SBE Rule 6A-14.064, the dual enrollment program is the enrollment of an eligible secondary student in a postsecondary course creditable toward both high school completion and a career certificate or high school completion and an Associate degree. Dual enrollment, an articulated accelerated mechanism offered jointly by the TRUSTEES and the BOARD shall broaden the scope of curricular options available to students and increase the depth of study available for a particular subject by offering college credit and post-secondary vocational courses to eligible high school students as provided in the Dual Enrollment Agreement. Stipulations regarding course content, program requirements, student evaluation, faculty credentials, college environment, and strategic planning for dual enrollment courses are covered in SBE Rule 6A-14.064 adopted by the State BOARD of Education and included as an appendix to this Agreement, along with the IRSC Dual Enrollment Course list website link.

Section 1007.271(21), F.S. requires school districts to “weigh dual enrollment courses the same as advanced placement, International Baccalaureate, and Advanced International Certificate of Education courses when grade point averages are calculated. Alternative grade calculation, weighting systems that discriminate against dual enrollment courses are prohibited.”

Course Lists: Any college credit course comprising 3 credits or higher and/or any vocational clock hour course comprising 75 hours or higher that is listed in the State Common Course Numbering System (SCNS) for postsecondary credit can be considered for Dual Enrollment. Courses that meet high school graduation requirements are listed in the DUAL ENROLLMENT COURSE EQUIVALENCY LIST. All high schools shall accept these postsecondary courses toward meeting the requirements of Section 1003.43, F.S.

Physical Education, College Preparatory courses, and private music lessons are excluded from this Agreement. Any changes necessary during the academic year will be mutually agreed upon by the articulation representatives of Indian River State College and the School District. Approval of courses for dual enrollment does not guarantee applicability toward satisfaction of eligibility requirements for Florida Bright Futures scholarships. Those requirements should be checked with the Bright Futures Office.

Course Credit: According to Section 1007.271 (21), F.S., students who are eligible for dual enrollment shall be permitted to enroll in dual enrollment courses conducted during school hours, after school hours, and during the summer. Students who
complete a three (3), four (4), or five (5) credit dual enrollment course at IRSC with a passing grade will earn at least one-half (1/2) credit in the designated subject towards the high school diploma unless credit is otherwise assigned by the DUAL ENROLLMENT EQUIVALENCY LIST.

**Advising Services:**
1) Dual enrollment students will be assigned an IRSC advisor during their first term of enrollment. They will meet with their advisor to customize a Guided Pathway/Academic plan based upon their academic and career goals. This plan will then be used by the student and the high school counselor in subsequent semesters to determine appropriate dual enrollment courses to be taken.

2) Dual enrollment students will be able to access their Guided Pathway/Academic plan online via the IRSC website where it can be utilized to search for available classes each semester.

3) This plan will ensure that dual enrollment students remain “on-track” for a college degree. High school counselors are responsible for ensuring that all applicable high school graduation requirements are met with the exception of courses dropped or withdrawn without notification to the counselor.

4) Dual enrollment students complete the registration process by selecting appropriate college classes, in consultation with their high school counselor and their assigned college advisor, based upon their Guided Pathway/Academic plan. Upon selection of the classes, they may register online, and submit the Dual Enrollment Registration Form (IRSC68) with appropriate signatures to any IRSC campus. Submission of this form ensures that applicable fees for approved courses are exempted.

5) IRSC provides high school counselors with online access to:
   - The student’s Guided Pathway/Academic plan
   - Transcript of grades
   - Student Academic Progress Report, test scores, and placement values
   - Academic planning comments
   - Student class schedule
   - Email links to the student’s IRSC counselor/advisor
   - Electronic notification of student withdrawals and drops from IRSC Dual Enrollment classes.

**Notice to Participate:** Students, parents, and school counselors will be notified by IRSC on the opportunities to participate in Dual Enrollment classes by:

1) Providing information sessions to be held at all IRSC campuses during the Spring Semester of each academic year.
2) The Office of Enrollment Management at IRSC, Campus Provost, or other IRSC representatives visiting each high school to provide enrollment support and information to the high school guidance counselors.

3) Enrollment Management coordinating efforts to answer questions, provide materials, and direct inquiries from students and parents interested in dual enrollment.

4) Sending students and/or parents a letter informing them of the student options to participate in dual enrollment.

5) Hosting a middle and high school guidance counselor conclave annually to update and inform area counselors of dual enrollment opportunities for students as well as other opportunities at IRSC.

6) Working collaboratively with high school contacts to host dual enrollment information sessions on the high school campuses after school hours.

   b. The decision will be based on high school justification, the academic rigor of the course, placement scores, and other academic history.

   c. Effective with the Spring 2016 semester, new dual enrollment Associate in arts degree-seeking students are required to complete SLS1101 – Student Success during their first semester of attendance.
